## Medical Clinic

The Cle Elum Medical Center has been caring for Kittitas County residents for over 30 years and is a dedicated partner in your health and wellbeing. The clinic provides a comprehensive range of primary care services for patients from infants to seniors.

Our services include:

- Preventive medical care
- Family medicine
- Newborn care
- Gynecology and reproductive health care
- Pediatrics and well-child care
- Immunizations
- Geriatrics
- Adolescent medicine
- Home health care referrals
- HIV/AIDS screening and treatment
- Lab services
- X-ray services
- Diabetes counseling
- Sports physicals

## Urgent Care

Cle Elum Urgent Care was incorporated into Cle Elum Medical Center in February, 2008. Urgent Care provides evaluation and treatment for patients with non-critical injuries or illnesses, including but not limited to:

- Fever
- Earache, sore throat
- Flu-like symptoms, colds, upper respiratory infections
- Vomiting, nausea, diarrhea
- Simple bone fractures, strains and sprains
- Cuts that may need stitches, other simple wounds
- Rashes and minor allergic reactions
- Non-severe asthma attacks

**Call 911 or go to a hospital emergency room if you have any of the following conditions:**

- Severe pain
- Severe bleeding
- Difficulty breathing
- Compound bone fractures that break through the skin
- Chest pain or other signs of a heart attack
- Stroke symptom
- Loss of consciousness
- Seizures

## Insurance

Cle Elum Medical Center and Urgent Care accepts Medicare, Medicaid and most forms of private insurance.

*Committed to our patients -- friends, neighbors and loved ones.*
