Our Mission

The Foundation provides Kittitas Valley Community Hospital with the funds to improve the hospital for the benefit of all. Since its inception in 1986, the KVCH Foundation has been working to enhance programs that promote, encourage and assist the improvement and expansion of quality healthcare at KVCH. The Foundation is an independent, 501(c) 3 not-for-profit organization governed by a Board of Directors drawn from Ellensburg civic, business, educational and healthcare professionals. These individuals work together donating their personal time and talent to direct the Foundation’s policies while working to help secure the Hospital’s future.

A thoughtful gift

that says so much

Your gift says so much...

Remember a special moment or event, recognize or remember a special person, say "thank you" to a caregiver, or celebrate the birth of a child with a financial gift to the KVCH Foundation.

Your thoughtful donation is a time-honored tribute that will work to improve the quality of facilities and care for patients close to home. Gifts can be designated for a need that is close to your heart or to the heart of the one you wish to honor.

Donations may be designated to the "area of greatest need," allowing the Foundation to direct your support where it is needed most or to a specific program of your choice.

Planned giving is a lasting memorial...

long-term financial and estate planning such as a will, life insurance or a living trust leaves a lasting legacy.

Your tax-deductible donation will be used for the sole benefit of Kittitas Valley Community Hospital. The KVCH Foundation accepts gifts of cash, stock, tribute, memorial, and planned gifts.
