

Our Mission

The Foundation provides Kittitas Valley Community Hospital with the funds to improve the hospital for the benefit of all. Since its inception in 1986, The Foundation at KVCH has been working to enhance programs that promote, encourage, and assist the improvement and expansion of excellent healthcare at KVCH. The Foundation is a tax-exempt 501 (c)(3) organization governed by a Board of Directors drawn from Kittitas County's business, educational, and healthcare professionals. These individuals work together, donating their personal time and talents to direct The Foundation's policies while working to help enhance the Hospital's future.

"A gift consists not in what is done or given, but in the intention of the giver or doer."

— Lucius Annaeus Seneca

Your gift says so much...

Remember a special moment or event, recognize or remember a special person, say "thank you" to a caregiver, or celebrate the birth of a child with a financial gift to The Foundation at KVCH. Your thoughtful donation is a time-honored tribute that will work to improve the quality of facilities and care for patients close to home. Gifts can be designated to the "area of greatest need," allowing The Foundation to direct your support where it is needed most or to a specific program of your choice that is close to your heart, or to the heart of the one you wish to honor.

Your tax-deductible donation will be used for the sole benefit of Kittitas Valley Community Hospital. The Foundation at KVCH accepts gifts of cash, stock, tribute, memorial, and planned gifts.

Planned giving is a lasting memorial...

Long-term financial and estate planning such as a will, life insurance or a living trust leaves a lasting legacy.
