

Sample Will Language

Bequests can take a number of forms including a specific dollar amount or a portion of what remains of an estate after obligations to others are fulfilled.

You may find it helpful to have sample will language to share with an attorney:

I give, devise, and bequeath to The Foundation at Kittitas Valley Community Hospital, a non-profit corporation, located at 603 South Chestnut Street, Ellensburg, WA 98926, the sum of \$_____ (or, _____ percent of my estate, or, _____ percent of the residue of my estate) to be used for such purposes as the Board of Trustees determines at the time this bequest becomes effective.

Designating your gift for a specific purpose

Will or trust provisions may be designated for a specific purpose - such as a specific department or project in the Hospital. If you wish to restrict or designate a use for your gift, please contact the Foundation Office to ensure that we understand your wishes.

In the case of a restricted bequest, you may wish to add language that would give The Foundation at KVCH the flexibility to use the bequest for some other purpose in the event that the project or purpose designated by the donor is no longer needed when the funds become available.

Adding the following sentence to the end of the bequest provision would provide this flexibility:

If, at the time this bequest becomes effective, the funds are not needed for this purpose, then the Board of Trustees may direct the funds to be used for a purpose as closely related as possible to the original purpose described in this provision.

By making a gift in your will, your generosity will continue to help others, ensuring that you are helping to provide the best healthcare possible for the residents of Kittitas County.

By hearing about your gift intentions, we may better prepare to receive your future gift and say a heartfelt “thank you” today.

Please contact us if you wish to confirm a bequest in your will to The Foundation at KVCH.
